All,

Please see attached for draft remarks for Tuesday's closed press event regarding renewable fuel standards actions, including EPA's initiation of rulemaking to allow higher blends of ethanol / year-round E15. Affirmative clearance is requested from **OLA, NEC, WHCO, and OMB**. All others welcome to comment as well. Please send all comments and clearances to Staff Secretary **by 5pm tomorrow, Monday, October 8.**

Thank you,
Staff Secretary
